**Policy Title: Probationary Period for Teachers**

**Code Number: 403.7**

The first three consecutive years of employment of a new teacher in the school district shall be a probationary period. However, if the teacher has successfully completed a probationary period of employment in a school district in Iowa, the probationary period of employment will be only one year.

The Board may extend any probationary teacher's probationary period for an additional year upon agreement with the teacher.
