

STUDENT PERSONNEL

Series 500

Policy Title: **Family Night/Sundays**

Code Number: **AR505.13**

School sponsored functions and activities include any competition or performance on the activity schedule or any mandatory practice for a recognized school co-curricular or extracurricular activity. Functions and activities that are not considered school sponsored include “open gyms,” “open mats,” “spring league baseball,” or any other voluntary activity, provided that activity sponsors refrain from any suggestion that participation of their students is expected.

Any request for exception not described in paragraph two of Board Policy 505.13 shall be made in writing (which shall include electronic mail) by the activity sponsor to the Director of Secondary Education with accompanying recommendations from the respective Activity Director and Principal.

First Adoption: December 17, 2007
